**ORDER DISMISSING COMPLAINT [1]**

---

On October 29, 2024, the Court dismissed Plaintiff's complaint as being barred by the statute of limitations. *See Smith v. U.S. Marshals*, No. 24-10189 (E.D. Mich. Oct. 29, 2024), ECF No. 18. One month later, Plaintiff re-filed an identical lawsuit. (*See* ECF No. 1.) For the same reasons set forth in the prior opinion, this duplicate case is likewise dismissed.

IT IS SO ORDERED
